Re: East Mountain Emergency Drillpad
Addendum to Reclamation Plan
Crandall Canyon Mines
C/015/032

Dear Mr. Haddock:

Enclosed are four hard copies and one electronic copy of the response to deficiencies for the East Mountain Emergency Drillpad Reclamation Plan, Task # 2893. Please note that bonding is presently being secured for all components of the East Mountain Reclamation Project, including for the Forest Service roads. The Forest will issue the Road Use Permits for these roads as soon as the bonds are in place. We request an expedited review and approval of this plan as soon as possible because we would like to start on July 15 in order to complete the reclamation this fall.

If you have any questions or comments please contact me at 435 888-4017.

Sincerely,

A handwritten signature in black ink, appearing to read "David Shaver", written over a horizontal line.
